

AGENDA

First Roadshow of the Interreg Project LV 2025 & Introduction of the Interreg Project AACOMA

Date: September 24, 2020

Location: ITA, Institute of Textile Technology
Campus Melaten
at RWTH Aachen University of Technology
Otto-Blumenthal-Strasse 1
52074 Aachen

„Large Conference Room“

Pre-event /Optional training

09:00- 10:30 - Training Module and Trends for Junior and Senior representatives of companies in EMR Market

Dr. M. Effing/ V. Mathes, AVK

- Basics in Composites *D. Garray, Sirris*

- **Registration/short break** -

10:30-12:30 Objective and introduction to the Interreg projects

Dr. M.Effing

Project Update by impulse presentations of the Interreg project Light vehicle 2025 (´15 min each)

- INTERREG LV 2025 Project, *P.Eyckens, Flanders Make (B)*
- AMS and Robomolding, your factory of the future, *J. Potargent, AMS (B)*
- Part Cost Analysis using the Oplysis Software, *M. Breiing, Conbility (D)*
- The importance of composites in fuel cell driven EV, *A. Seifert, Plastic Omnium (B)*
- Presentation by AGORIA, *W. Geurts, Agoria (B)*

- Coffeebreak -

Introduction of the Interreg Project AACOMA (´15 min each)

- INTERREG AACOMA Project, *B. Paquet*, **Centexbel (B)**
- Bio-based materials, *Prof. G. Seide*, **AMIBM (NL)**
- Commingled Glass Fiber Thermoplastic Composites, *R. Brüll*, **FibreCoat (D)**
- Successful innovations at DSM, *R. Mathur*, **DSM (NL)**

- 12:45 - 13:15 Lunch -

13:15- 14:30

Match-Making Event

(4 tables, rotation every ´15 min.)

Dr. M. Effing

Topics: Materials, Processes, Engineering/ Design, New Applications

14:30- 16:30

Guided Tour

ITA Institute of Textile Technology (RWTH Aachen),
Show Room e.GO Mobile (<https://e-go-mobile.com>),
Video presentation of assembly line

Dr. Effing/ Mr. Harasimiak

- End of event-
